Hi Kristen, as we discussed on today's meet and confer, we'd appreciate the opportunity to discuss the feedback you provided with our clients and circle back with you. We think that is appropriate under the circumstances and that you should wait to file the motion until the end of this week to allow us an opportunity to further discuss. Thanks.

Subject: RE: Uber MDL: Request for Meet and Confer

All:

Thank you to each of you for the several meet and confers that have occurred over the past 8 days. As I mentioned on various calls, to the extent that you determine you will dismiss a matter implicated by Uber's letter and the issues discussed on our Zooms, please let us know as we will update the Court and remove the names from our proposed orders and briefing.

I also wanted to confirm again formally in writing that we have removed the Peiffer Wolf and Nigh Goldenberg cases from our proposed orders following M&C efforts with those firms.

Thank you,

KRF

Roopal, Sarah, Rachel, Elizabeth and all:

Please see attached correspondence concerning a need to meet and confer regarding the receipts that were ordered to be produced pursuant to PTO #5. Please let me know a time that works for any needed counsel to

meet and confer by this weekend; I can be flexible. Defendants intend to move next week for appropriate relief if we are unable to reach an agreed resolution to the issues laid out in my letter. I am hopeful that we can.

Look forward to hearing from you,

Subject: Uber mdl zoom today / mtd issue

Kristen, I plan to be on your uber zoom meeting today around 1245-1p est. If my meeting beforehand goes longer and I miss, I'll circle back this afternoon.

On another note, Uber filed a motion to dismiss (document 3493), stating 2 of our plaintiffs (PK and TW) did not serve PFSs.

It appears these 2 plaintiffs were assigned 2 IDs in centrality; we served a PFS for IDs 1360 (PK) and 1361 (TW). The motion to dismiss pertains to IDs 1212 (PK) and 1229 (TW).

We requested deactivation of IDs 1212 (PK) and 1229 (TW) as duplicates.

Since there is no actual deficiency, can you withdraw your motion as to these 2 plaintiffs? Would prefer not having to file a response on this tomorrow.
